

Lexington Medical Center has an exciting opportunity for Registered Nurses to join our growing hospital!

Rated as one of the Top 25 Best Hospitals to Work for in the U.S., Lexington Medical Center is a 428-bed modern state-of-the-art facility. Winning the prestigious "Summit Award" from Press Ganey for outstanding patient satisfaction and the "Consumer Choice Award" from the National Research Corporation contributes to our reputation for giving our patients the highest quality care.

Lexington Medical Center anchors a healthcare network that includes six community medical centers throughout Lexington County. The network also includes comprehensive cardiovascular and oncology care units affiliated with Duke Medicine, an occupational health center, the largest skilled nursing facility in the Carolinas and an Alzheimer's care center. We are also a Bariatric Center of Excellence and Certified Primary Stroke Center.

We are recruiting for RNs to join our hospital for the following departments:
