SHOWER OUR COMMUNITY *with Hope*

2016 UNIVERSAL EMPLOYEE FUND
LMCFoundation.com

Through Universal Employee Fund (UEF), the Lexington Medical Center Foundation is able to assist hospital employees in emergencies or severe hardships as well as provide items and services that enhance patient care. UEF also supports Pastoral Care, the Cancer Care Fund and other important programs.

*Shower your community with
hope by supporting UEF!*

In 2015, more than 2,961 employees gave a total of \$726,276!

Where does the money go?

All proceeds go back to employees, patients and community members. A gift to the Foundation will support a variety of programs and services including:

♥ General Support

- Partners Program
- Nursing Scholarships
- Patient and Community Support

♥ **Becky's Place** – A specialized boutique for patients who are undergoing cancer treatment or who have completed their treatment.

♥ **Women and Children's Fund** – Supports the Doula program, continuing education, and other needs for our smallest patients.

♥ **Pastoral Care** – Provides education, materials, and hope for those going through a difficult time.

♥ **We Care Fund** – Helps to provide internal grants that are submitted by our employees. Some examples include:

- **Freedom from Smoking** is a program offered free of charge. It is facilitated by clinical professionals who offer their expertise and support. Over 55% of participants have successfully completed the program, more than the national average!
- **Cell Phone Charging Stations** in the ED, MICU, and SICU waiting areas. All visitors, whether planned or unexpected, can charge their cell phones, leaving one less thing for them to worry about during their time here.
- **Diabetic Eye Exams** assist uninsured and under insured diabetic patients with eye exams and minimize acute care in the ED. Patients are now able to receive the care they need, and deserve.
- **Newborn Baby Supplies** provide basic infant care needs and infant car beds for in need infants that are too small to go home in a regular car seat.

♥ **Emergency Care Fund** – Assists fellow employees with costs related to a catastrophic life event such as a house fire or flood, domestic violence, long-distance travel for a family funeral, or ancillary non-medical needs related to a life-threatening illness.

What are the benefits of giving?

With a minimum gift of \$50, four hours of annual leave or \$5 per pay period, donors receive a Foundation gift, a ticket to the UEF celebration lunch, recognition on the Donor Wall, and the opportunity to win annual leave and other great prizes. Shower our community with hope, support UEF this year!

The Founder Society – The Founder Society is a group of individuals who give \$1,000 or more annually to provide additional resources that support the Foundation's mission of assuring high value, quality health services and patient-centered care to members of the community. Their generosity enables the Foundation to achieve goals not yet reached and continue programs that have helped so many people.

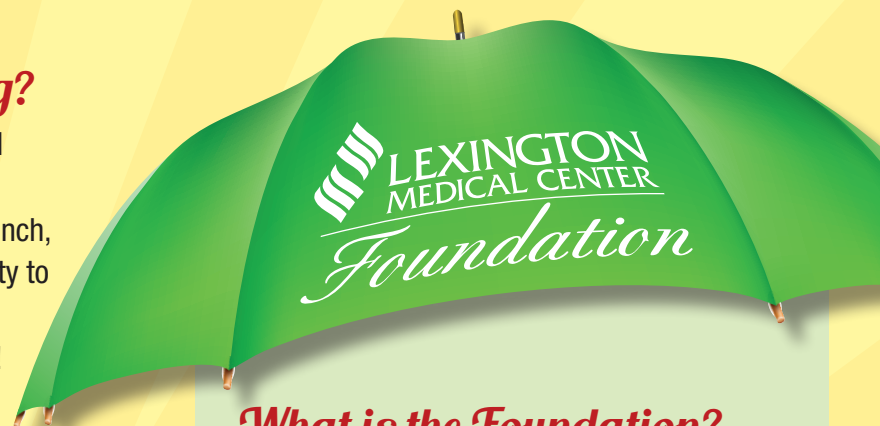

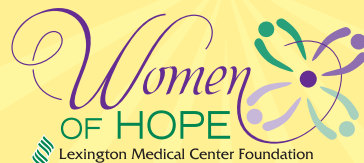

♥ **Founder Society (\$1,000)** members receive two tickets to exclusive receptions and donor appreciation functions.

♥ **Gold Founder Society (\$2,500)** members receive four tickets to exclusive receptions and donor appreciation functions, and preferred parking at the hospital.

♥ **Diamond Founder Society (\$5,000)** members receive six tickets to exclusive receptions and donor appreciation functions, and preferred parking at the hospital.

Did you know?

Women of Hope – Your contribution to UEF can be used towards a Women of Hope membership. Women of Hope builds community among its members and raises awareness of critical health issues affecting women and their families through special events and networking opportunities throughout the year.

What is the Foundation?

A non-profit 501(c)(3) organization, the Lexington Medical Center Foundation fundraises internally through UEF and seeks additional support from community members and business partners. All contributions advance the Foundation's mission and positively affect the hospital's patients, staff and community.

Where is the Foundation located?

The Foundation office is located across from Human Resources inside the Highway 378 entrance to the hospital.
