**Transform Care. Transform Hearts. Transform Lives.**

For more than 45 years, Lexington Medical Center has been committed to providing quality health services that meet the needs of our community. The Lexington Medical Center Foundation is a non-profit 501(c)(3) organization, which was established in 1990 to support the mission of Lexington Medical Center.

The Foundation works to find opportunities to enhance the wellness, peace of mind and dignity of patients and those in the community. With your support, we have the power to transform – care, hearts and lives.

Your support of the Universal Employee Fund (UEF) helps the Lexington Medical Center Foundation provide resources, services and programs that enhance patient care for our LMC community, and assist hospital employees in emergencies or severe hardship.

**In 2016, more than 3,166 employees gave a total of \$764,231!**

### Emergency Care Fund

Assists employees with catastrophic life events such as a house fire or flood, domestic violence, long-distance travel for a family funeral, or non-medical needs resulting from a medical crisis.

### Cardiac Care

Eliminates barriers between heart patients and a full recovery through patient discharge kits, Cardiac Rehabilitation scholarships and Hospital-to-Home assistance.

### Cancer Care

At Lexington Medical Center, cancer is our fight, too. The Foundation supports this care philosophy with cancer programs that help patients focus on their treatment and survivorship such as assistance with non-medical emergency needs and wigs, mastectomy bras and post-surgical kits for breast cancer patients.

### Patient Care

Supports Lexington Medical Center's mission by enhancing hospital services and providing hope through patient and community programs. These services and programs affect every area of patient care in Lexington Medical Center's network and are often the result of employee-submitted internal grants.

- Infant CPR kits, newborn car beds and infant sleep sacks
- Doula program
- Exercise as Medicine
- Diabetes education
- Cancer and nutrition series

### Community Care

At Lexington Medical Center, our community finds support when they most need it through Foundation programs and services – from nursing and allied health scholarships to chaplain resources to caregiver training through the Helping U Grow Strong (HUGS) program.

### Benefits of Supporting UEF

With a minimum gift of \$50, \$5 per pay period, or four hours of annual leave, donors receive the following benefits:

- Foundation gift
- Ticket to the UEF celebration lunch
- Recognition on the Lexington Medical Center Foundation Donor Wall in the hospital's North Tower
- Opportunity to win annual leave and other great prizes

**Founder Society** – The generosity of these individuals enables the Foundation to achieve its goals and continue programs that help so many people.

### Giving levels:

**Founder (\$1,000)** members receive an exclusive Founder pin, recognition on the Donor Wall and access to VIP receptions at Foundation events.

**Gold Founder (\$2,500)** members receive an exclusive Gold Founder pin, recognition on the Donor Wall, access to VIP receptions at Foundation events, four tickets to donor appreciation functions and preferred parking at the hospital.

**Diamond Founder (\$5,000)** members receive an exclusive Diamond Founder pin, recognition on the Donor Wall, access to VIP receptions at Foundation events, six tickets to donor appreciation functions and preferred parking at the hospital.

**Women of Hope** – Members of Women of Hope raise awareness of critical health issues affecting women and their families through

special events and networking opportunities. Founders can designate a portion of their UEF contribution toward Women of Hope membership. For more information about joining Women of Hope, contact the Foundation.
