25 YEARS OF GIVING (1993 – 2018)

For 25 years, the Lexington Medical Center Foundation has worked to inspire hope and contribute to the health and well-being of people in the Midlands. As a non-profit 501(c)(3) organization, the Foundation offers a variety of hospital-based and community programs to support Lexington Medical Center's mission of providing quality health services that meet the needs of its community.

The Foundation works to support this vision by finding opportunities to enhance the wellness, peace of mind and dignity of patients and those in the community. With your support, the Foundation can celebrate its past while providing hope for the future.

The Universal Employee Fund (UEF) helps the Lexington Medical Center Foundation provide vital resources, services and programs for our patients, fellow employees and the community.

HOPE
FOR THE FUTURE.

In 2017, more than 3,000 employees gave a total of \$796,891!

The Foundation provides programs, services and resources in these six main areas:

Employee Care

The Emergency Care Fund supports hospital employees facing financial hardships due to a crisis in their lives from catastrophic life events, such as a house fire or flood, to long-distance travel for a family funeral and non-medical needs during a life-threatening illness.

Cardiac Care

The Foundation eliminates barriers between heart patients and a full recovery through patient discharge kits, Cardiac Rehabilitation scholarships and smoking cessation programs.

Cancer Care

Lexington Medical Center fights cancer alongside its patients. The Foundation supports this care philosophy with programs that help patients focus on their treatment and survivorship. Through the Crystal Smith Breast Cancer Fund, the Foundation provides breast cancer patients with wigs, mastectomy bras and post-surgical kits.

Mother/Baby Care

Lexington Medical Center’s acclaimed birth center welcomes more than 3,500 babies each year, the second highest number of deliveries in South Carolina. The Foundation’s Mother/Baby programs and services help improve the overall health and well-being of these families.

- HALO® SleepSacks
- Infant Cardiopulmonary Resuscitation Kits
- Doula Program
- Newborn Baby Supplies
- Perinatal Loss Program

Patient Care

The Foundation supports Lexington Medical Center’s mission by enhancing hospital services and providing hope through patient and community programs. These services and programs affect every area of patient care in the hospital’s network and are often the result of employee-submitted grants.

- Exercise as Medicine
- Diabetes Education
- Hospital to Home Assistance

Community Care

Lexington Medical Center employees and community members are a family. They find support when they most need it.

- Chaplain Services
- Caregiver training through the Helping U Grow Strong (HUGS) program
- Nursing and Allied Health Scholarships

Additional Benefits of Supporting UEF

With a minimum gift of \$50, \$5 per pay period, or four hours of annual leave, donors receive the following benefits:

- Foundation gift
- Ticket to the UEF celebration lunch
- Recognition on the Lexington Medical Center Foundation Donor Wall in the hospital’s North Tower
