

We Care Grants

CARDIAC CARE

Programs to eliminate barriers between heart patients and a full recovery.

Cardiac Rehab T-Shirts

Incentives and tokens of encouragement for completing the Cardiac Rehabilitation program.

Cardiac Rehab Water Bottles

Water bottles for Lexington Medical Center Irmo Cardiac Rehabilitation patients who have attended all offered education classes.

COPD Tool Kit

Supplies given to chronic obstructive pulmonary disease patients during their hospital stay to facilitate the transition home.

CVICU Post-Surgical Bra

Bras specially designed to provide post-surgery comfort for female open heart surgery patients.

CVICU Post-Surgical Pillow

Seat belt pillows for open heart surgery patients following surgery.

Freedom from Smoking Program

Eight-week program offered four times per year that provides smoking cessation education to the community.

Heart Failure Patient Care Tools

Educational tools given at discharge to patients who have experienced heart failure.

Home Blood Pressure Monitoring Project

Blood pressure monitor for at-risk populations who have experienced a stroke or have a high risk of stroke.

Tobacco Cessation Program

Resource kits for patients who actively smoke and show interest in quitting during urgent care or primary care visits.

LMCFoundation.com

2720 Sunset Boulevard
West Columbia, SC 29169

This fiscal year, the Foundation awarded more than \$776,774 in We Care Grants to departments and facilities throughout the hospital's network.

These programs contribute to the wellness, peace of mind and dignity of patients and their families.

8311-033-C (11/21)

MOTHER/BABY CARE

Programs and services to help improve the overall health and well-being of our new babies and their families.

Doula Services

Training and certification of current and future doulas to ensure the availability of this free resource for patients.

Infant CPR Kits

Cardiopulmonary resuscitation kits and education for families of Special Care Nursery infants before the transition home.

Kisses for Hugs Infant Protection System

Provides the Kisses Protection System, which creates an electronic link between mother and baby established at the time of birth to serve as a security system.

Newborn Baby Supplies/Special Care Nursery Packages

Care packages for families of newborns in the Special Care Nursery for extra support.

Perinatal Loss Program

Funding for clinical and programmatic education needs of Labor and Delivery staff.

Safe Sleep for Newborns

Halo Sleep Sack Swaddles for families of newborn infants to reduce the risk of suffocation or re-entrapment.

Turtle Tubs

Infant swaddle baths to families of pre-term and full-term infants.

PATIENT CARE

Programs that enhance hospital services in every area of patient care and provide hope throughout the hospital's network.

AED Cabinet Supplies

Automatic external defibrillator cabinets and supplies to assist medical staff during crises.

CARE Channel

Television programming for hospital inpatients designed to reduce patient anxiety and promote better sleep.

Clothing for Emergency Department Patients

Clothing for patients being discharged who do not have appropriate attire.

Complex Care Patient Supplies

Care items for patients admitted to the hospital for extended amounts of time.

Diabetes Education

Educational and motivational materials focused on diabetes for underserved rural populations, such as Batesburg-Leesville and Swansea.

Diabetic Supplies

Essential diabetic supplies for newly diagnosed diabetic patients in the hospital and physician practices in Batesburg-Leesville and Swansea.

Emergency Department Hospitality Cart

Emergency department program that provides essentials for patients during visits.

Eyeglass Cases

Eyeglass cases for surgical and procedural patients.

Heart Bears

Keepsakes created for loved ones with a copy of the patient's heartbeat placed inside a teddy bear.

Hospital to Home Program

Non-medical in-home care for high-risk patients following discharge from the hospital.

Inpatient Cell Phone Chargers

Cell phone chargers for inpatients.

Inpatient Hospitality Cart

Diversional and personal items for inpatients.

Lymphedema Supply Fund

Compression wraps for uninsured and underinsured lymphedema patients.

Medication Boxes

Pill boxes for high-risk patients to keep up with medications.

MICU Keepsake Hands

3-D hand-casting kits for families who have experienced unexpected loss in the Medical Intensive Care Unit.

Pelvic Models

Models to help educate patients on pelvic health.

Project Prescription and Transportation

Vouchers for assistance with prescription and transportation costs for uninsured and underinsured patients.

We Care Bears

Teddy bears for patients in need of comfort.

White Noise Machines

Noise machines for patient rooms to promote better sleep throughout their hospital stay.

CANCER CARE

Programs that help cancer patients focus on their treatment and survivorship.

Cancer Transitions

Support programs designed for cancer survivors' transition home from the hospital.

Exercise is Medicine

Exercise equipment, classes and specialized training for patients with chronic health conditions such as cancer or diabetes.

Lucinda Bears

Tokens of support and encouragement given to all newly diagnosed breast cancer patients since 1998.

Supportive Care Items

Post-surgery bras, supplies and cosmetic bags for mastectomy patients.
