Did someone at Lexington Medical Center help you have a better experience?

A doctor who answered your questions with compassion? A nurse who provided comfort and excellent care? A volunteer or staff member who made the extra effort to lend a hand?

Grateful Hearts is a program that lets you share your appreciation through a gift to the Lexington Medical Center Foundation in honor of a special caregiver.

Your honoree will receive:

- ♥ A Grateful Hearts pin, identifying him or her as an honoree.
- ♥ Certificate of recognition in the honoree's personnel file.
- ♥ Acknowledgement in Lexington Medical Center's internal newsletter.

Your donation will be used to provide hope through patient and community programs.
