

HOPE

Helping Our Patients & Employees

For more than 25 years, Lexington Medical Center Employees have helped the Foundation inspire hope and contribute to the health and well-being of people in the Midlands.

2019 Employee Giving Campaign

NEW NAME. SAME MISSION.

The Lexington Medical Center Foundation's annual employee giving campaign has a new name, but the same mission and purpose: **Helping Our Patients and Employees.**

HOPE

As a non-profit 501(c)(3) organization, the Lexington Medical Center Foundation offers a variety of hospital-based and community programs to support Lexington Medical Center's mission of providing quality health services that meet the needs of its community.

Through the generosity of our employees and other partners, we enhance the patient experience and contribute to the wellness, peace of mind and dignity of people throughout the Midlands. We provide HOPE.

In 2018, more than 3,200 employees gave a total of \$847,783 to the Foundation's annual employee giving campaign!

Providing Hope

EMPLOYEE CARE

MOTHER/BABY CARE

CARDIAC CARE

PATIENT CARE

CANCER CARE

COMMUNITY CARE

Our mission is to ensure that high quality health services and patient-centered care are available in the Midlands.

The Foundation provides programs, services and resources in these six main areas:

1 — EMPLOYEE CARE

The Emergency Care Fund supports hospital employees facing financial hardships due to a crisis in their lives from catastrophic life events, such as a house fire or flood, to long distance travel for family funeral and non-medical needs during a life-threatening illness.

2 — CARDIAC CARE

The Foundation eliminates barriers between heart patients and a full recovery through patient discharge kits, Cardiac Rehabilitation services and smoking-cessation program.

3 — CANCER CARE

Lexington Medical Center fights cancer alongside its patients. The Foundation supports this care philosophy with programs that help patients focus on their treatment and survivorship. Through the Crystal Smith Breast Cancer Fund, the Foundation provides breast cancer patients with wigs, mastectomy bras and post-surgical kits.

4 — MOTHER/BABY CARE

Lexington Medical Center's acclaimed birth center welcomes more than 3,300 babies each year, the second highest number of deliveries in South Carolina. The Foundation's Mother/Baby programs and services help improve the overall health and

well-being of these families.

- HALO® SleepSacks
- Infant Cardiopulmonary Resuscitation Kits
- Doula Program
- Newborn Baby Supplies
- Perinatal Loss Program

5 — PATIENT CARE

The Foundation supports Lexington Medical Center's mission by enhancing hospital services and providing hope through patient and community programs. These services and programs affect every area of patient care in the hospital's network and are often the result of employee-submitted grants.

- Exercise as Medicine
- Diabetes Education
- Hospital to Home Assistance

6 — COMMUNITY CARE

Lexington Medical Center employees and community members are a family. They find support when they need it most.

- Chaplain Services
- Caregiver Training through Helping Grow Strong (HUGS) Program
- Nursing and Allied Health Scholarships

Members of Women of Hope raise awareness of critical health issues affecting women and their families through special events and networking opportunities. Founders can designate a portion of their contribution towards Women of Hope membership.

- Supporters of Hope (\$100) receive recognition on a donor wall and invitations to meetings and socials.
- Partners of Hope (\$250) receive recognition on a donor wall, invitations to meetings and socials, and the opportunity to serve on committees.
